DETAILED ACTION

Allowable Subject Matter

1. Claims 4-7 which have been renumbered as 1-4 are allowed.
2. The following is an examiner's statement of reasons for allowance: Regarding claims 1-4, the prior art of record fails to teach of sending a handoff required message from the first base station to the mobile switching center according to signal strength reported from the mobile station, the signal strength exceeding predetermined strength of a pilot signal from the second base station, the handoff required message including service type identifiers indicating service types and resource information indicating radio resources assigned for the respective services; and sending the first handoff request acknowledge message from the mobile switching center to the mobile station and forming in the mobile station a communication link to the second base station according to the first handoff request acknowledge message when it is possible to assign the radio resources for both the first service and the second service. The closest reference, Dalal (U.S. Patent No. 6,633,554), teaches of a system for performing a handoff but fails to teach of sending a handoff required message from the first base station to the mobile switching center according to signal strength reported from the mobile station, the signal strength exceeding predetermined strength of a pilot signal from the second base station, the handoff required message including service type identifiers indicating service types and resource information indicating radio resources assigned for the respective services; and sending the first handoff request acknowledge message from the mobile switching center to the mobile station and forming in the mobile station a

communication link to the second base station according to the first handoff request acknowledge message when it is possible to assign the radio resources for both the first service and the second service..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ryan C. Carter on 5/30/06.

The application has been amended as follows:

Claims 1-3 are cancelled.
